SERVICE COORDINATION

Grow your career with us!
We are looking for trusted and highly experienced individuals to ensure our participants needs are met by upholding our Core Values:

**QUALITY**
It is our goal to provide the highest quality of service to our participants and to improve the quality of our participants’ lives.

**EMPOWERMENT**
It is our goal to empower the participants of whom we serve to use the skills and resources provided to them to pursue changes and challenges that will enrich their lives.

**DEDICATED**
We are dedicated to providing first-rate training to our staff so that they may serve those who have entrusted our agency to help them achieve their goals, wants and needs.

**DEPENDABLE**
We have pledged to provide great customer service to our communities. To be the agency that can be depended on by utilizing effective resources, trained staff, and quality services.

**CONSISTENT**
It is our goal to provide consistent quality services so that our participants and collaborators will merit the agency as principled and reputable.

**MISSION**
Assist individuals with disabilities in meeting their basic needs, enhancing their quality of life and promoting their independence, while also allowing them to be active participants in the decision-making and the direction of their services.

**VISION**
To be the most qualified agency throughout the state of Pennsylvania. We strive to provide the best service coordination for all individuals with physical disabilities and their healthcare providers.

**SERVICES PROVIDED**
