Funding decisions are made by the Community Fund review committee. Any committee member who is a friend or relative to the applicant will be excluded from voting due to a conflict of interest. Alleghenies United Cerebral Palsy is flexible in its granting policy in order to be able to respond to changing needs in the community. Whether or not an individual receives a grant and the amount of such grant will be based at the discretion of Alleghenies United Cerebral Palsy.

During each review period, no more than \$2,000 will be given in total, with no more than \$1,000 disbursed per grant request. Once a grant request is approved by AUCP, all monies will be paid directly to the vendor/provider (ie. car repair shop, home modification company, etc). The applicant is accountable for ensuring that monies and projects have been used/completed as stated. The committee will decide if the grant request will be partially or fully funded.

Alleghenies United Cerebral Palsy funds are not intended to substitute for existing sources of financial support. Alleghenies United Cerebral Palsy should be considered the payer of last resort after all other options have been exhausted. Grants may be approved at a level lower than that requested or approval may be given for only a specific part of a request.
